

Mandarin, Culture & Travel in China

Western civilization is realizing that much can be learned from age-old and traditional cultures. Now is your chance to learn some Mandarin language skills and upgrade your knowledge of Chinese culture on our South Surrey/White Rock Continuing Education and Bell Tours' **Newworld Discovery** program

Sightseeing Tours Included

in China. Gain further insight into the ancient culture of the Chinese people and further your business future.

This Continuing Education study course is for students, teachers, retail managers,

global business managers, and any person wishing to work within the Chinese business environment.

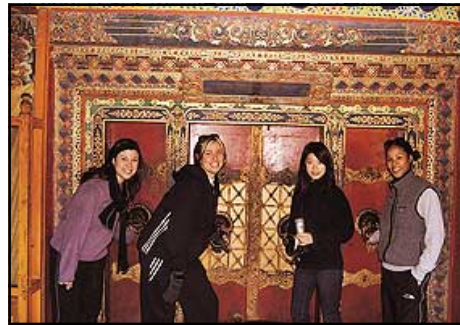

During this two week program you will have ample opportunities to explore beyond the university. Enjoy our sightseeing excursions and shop with the assistance of our bilingual tour guides.

Join us at one of our **Information Sessions** to find out why you should fly to Beijing with us to practice your new language skills and experience historic China.

Newworld Discovery programs can be extended to include a visit to Xi'an and its amazing Terra Cotta Warriors, Shanghai and several other culturally significant Chinese historical locations.

We also have 4-day and one week cruises on the famous Yangtze River.

Let us customize a China culture and educational program for you, your colleagues, and friends. Tell us the area of interest you wish to study and we'll design an instructional or upgrading program especially for you.

Call Elizabeth for dates of our Information Sessions.

Culture & Education Tour to China

Fly with us to Beijing, China and to the highly respected International Youth University (I.Y.U.) highly acknowledged for its excellence in education. Everything is taken care of on this two-week visit to Beijing. Enjoy your comfortable accommodation in either two twin-bedded rooms with living/social area or in a hotel room at the university's hotel, classes in modern facilities, and guided sightseeing excursions.

In addition to Mandarin classes, choose one or more secondary areas of interest:

- Herbology
- Painting
- Calligraphy
- Martial Arts - Wushu
- Cooking
- Paper Cutting & Knot Making

Practice Mandarin with fellow students and indulge in other cultural Chinese activities.

Expand Your Chinese Cooking Skills

International Youth University
